# Volkan Cliffside

Thank you for choosing Volkan Cliffside. Spread over 3000 sq. m., our 19th-century merchant's mansion and verdant hanging gardens sit prominently above Thira and offer unrivalled views of the majestic volcano and the Aegean Sea.

We are delighted to be part of your story. The 'Red Mansion' and its garden terraces emit timeless charm and provide a captivating backdrop for your celebration. Every detail has been thoughtfully curated to ensure your special day becomes a tapestry of unforgettable moments.

Our venues are as authentic and unique as our culinary offerings. Choose your menu and experience, the best of our island's history and world famous flavours. Savour our estate's wines, local beers, and authentic island products.

The Red Mansion and our volcanic gardens can be a spectacular setting for your dreams, a stage for your story to unfold. We look forward to hosting your joyous moments at our authentic and unique location. Volkan Cliffside is where history, elegance and gastronomy converge.

# The Red Mansion

Maintaining its traditional vibrant red coloring and distinct design, our famous mansion, built circa 1850, unites the historic and the contemporary and features generous spaces with picture frame views of the sea. This aristocratic building is part of the historic fabric of the local community and island.

Representing the legacy of wealthy ship owners and wine merchants, this exclusive cliff-side wedding venue hosts traditional wine-making tunnels, secret store rooms, exquisite terraces, and majestic banquet halls with painted ceilings.

Our grand 19th-century wine merchant's mansion is a Santorini landmark. This luxurious venue offers a fairytale setting for the most memorable of events. On the beautiful cobble-stoned terrace around the Red Mansion, your guests will enjoy the magnificent views of the caldera throughout the evening.

# Volkan Gardens

2000 sqm of terraced lawns and flowering fire pink bougainvillea, the gardens sit below the Red Mansion wrapping around a promontory with almost 360 degrees of breathtaking views to the Aegean Sea 1000 feet below.

Hosting a high-end restaurant and bar, there is ample space for private dining, cocktail receptions, and ceremonies all accessible via a private entrance.
